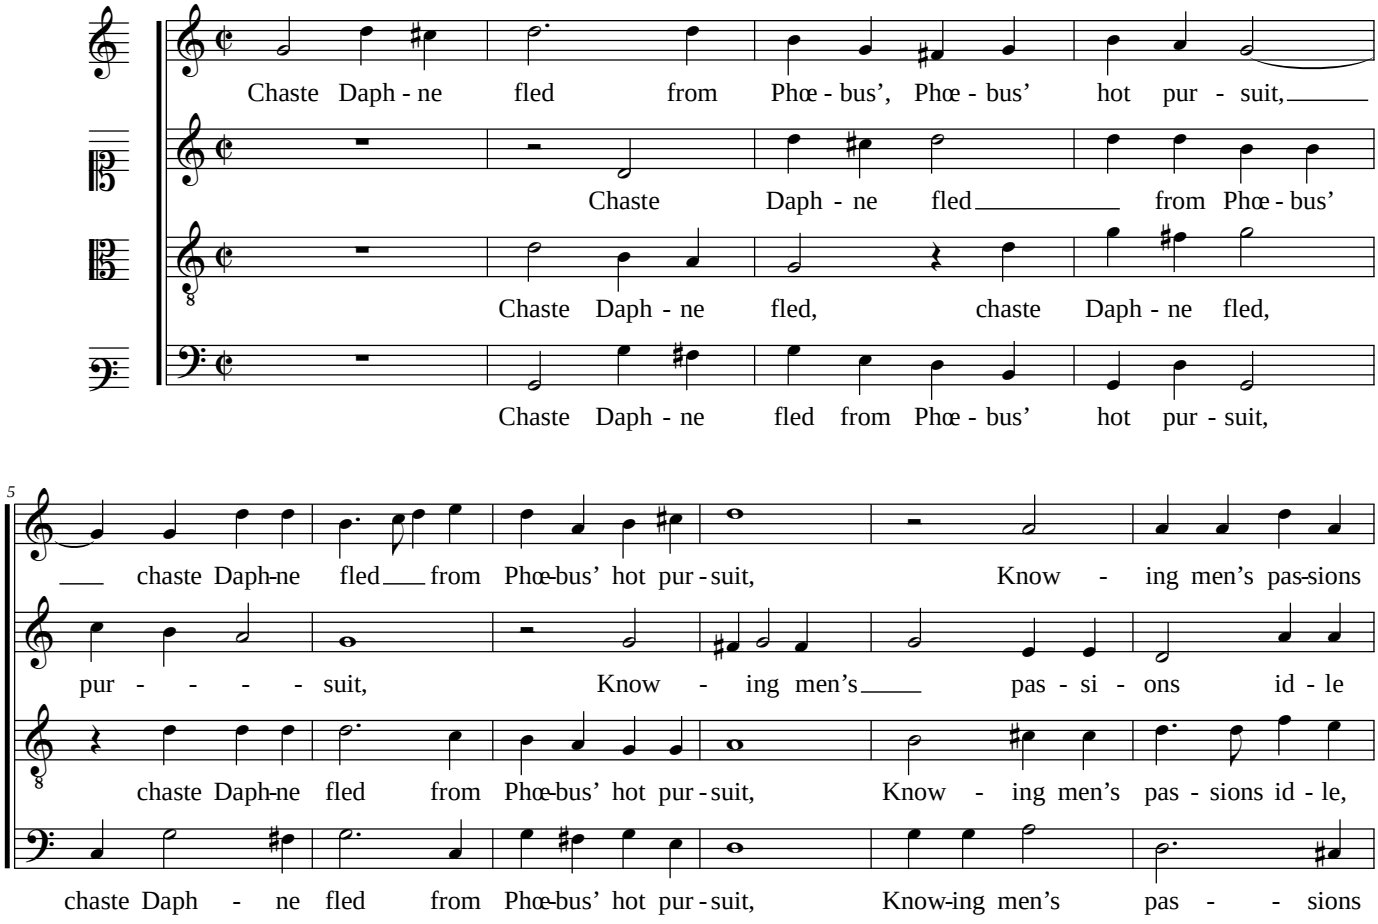
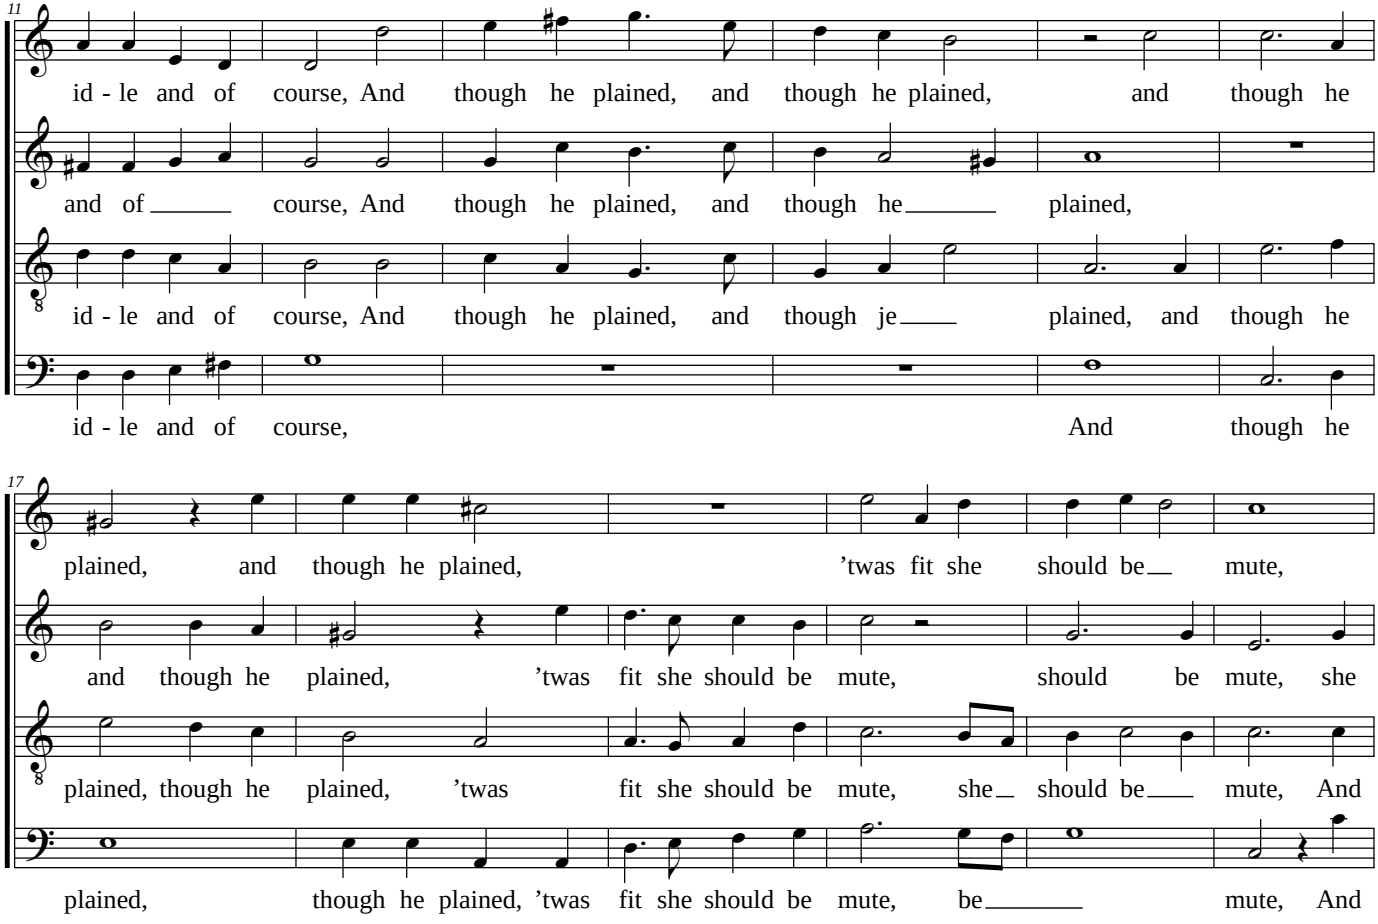
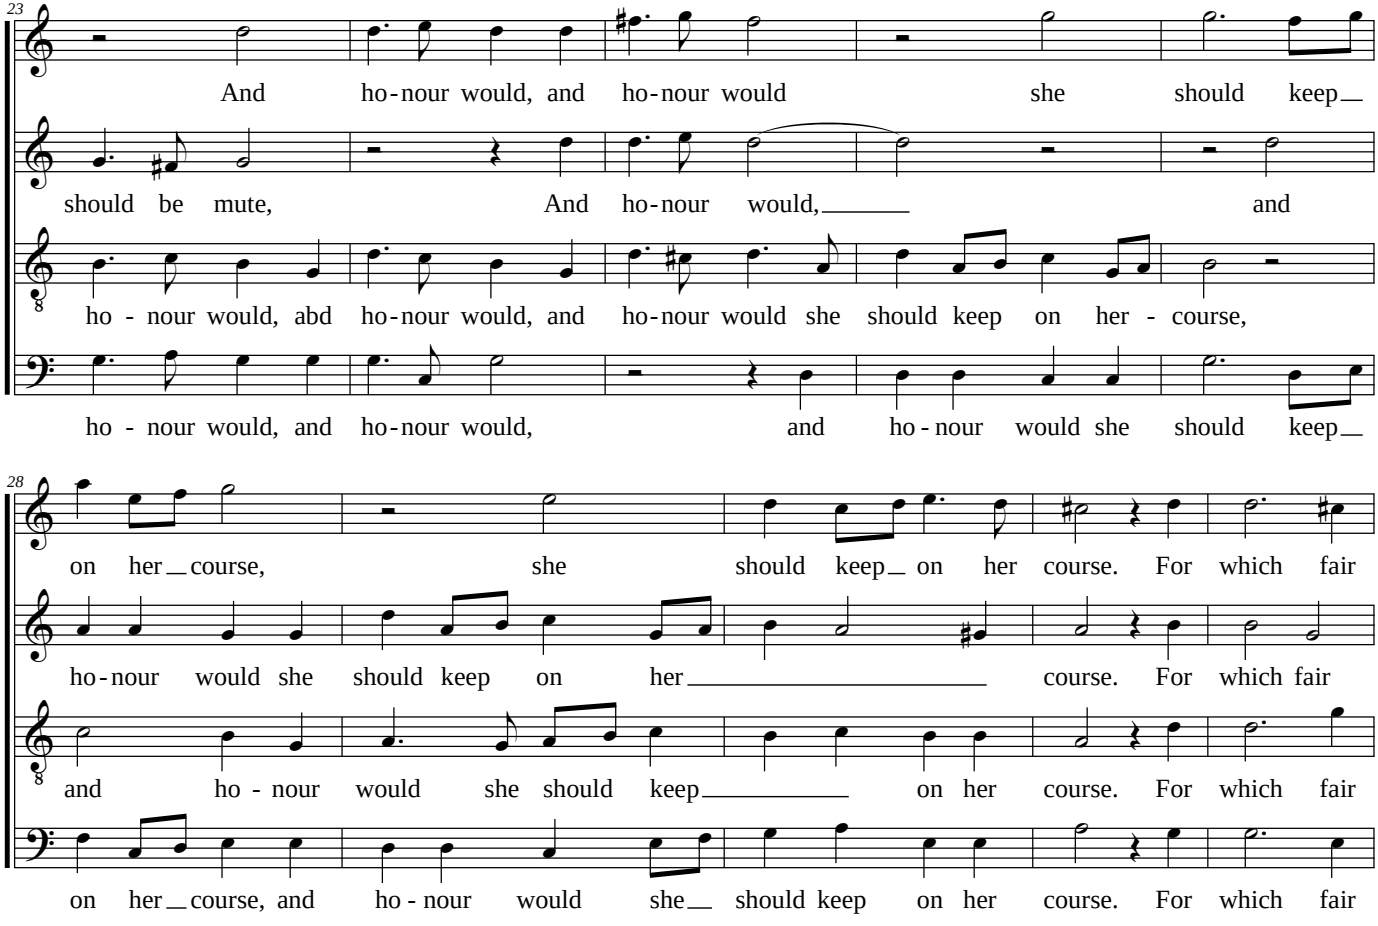
Coy Daphne fled *(The Second Part)*

Francis Pilkington

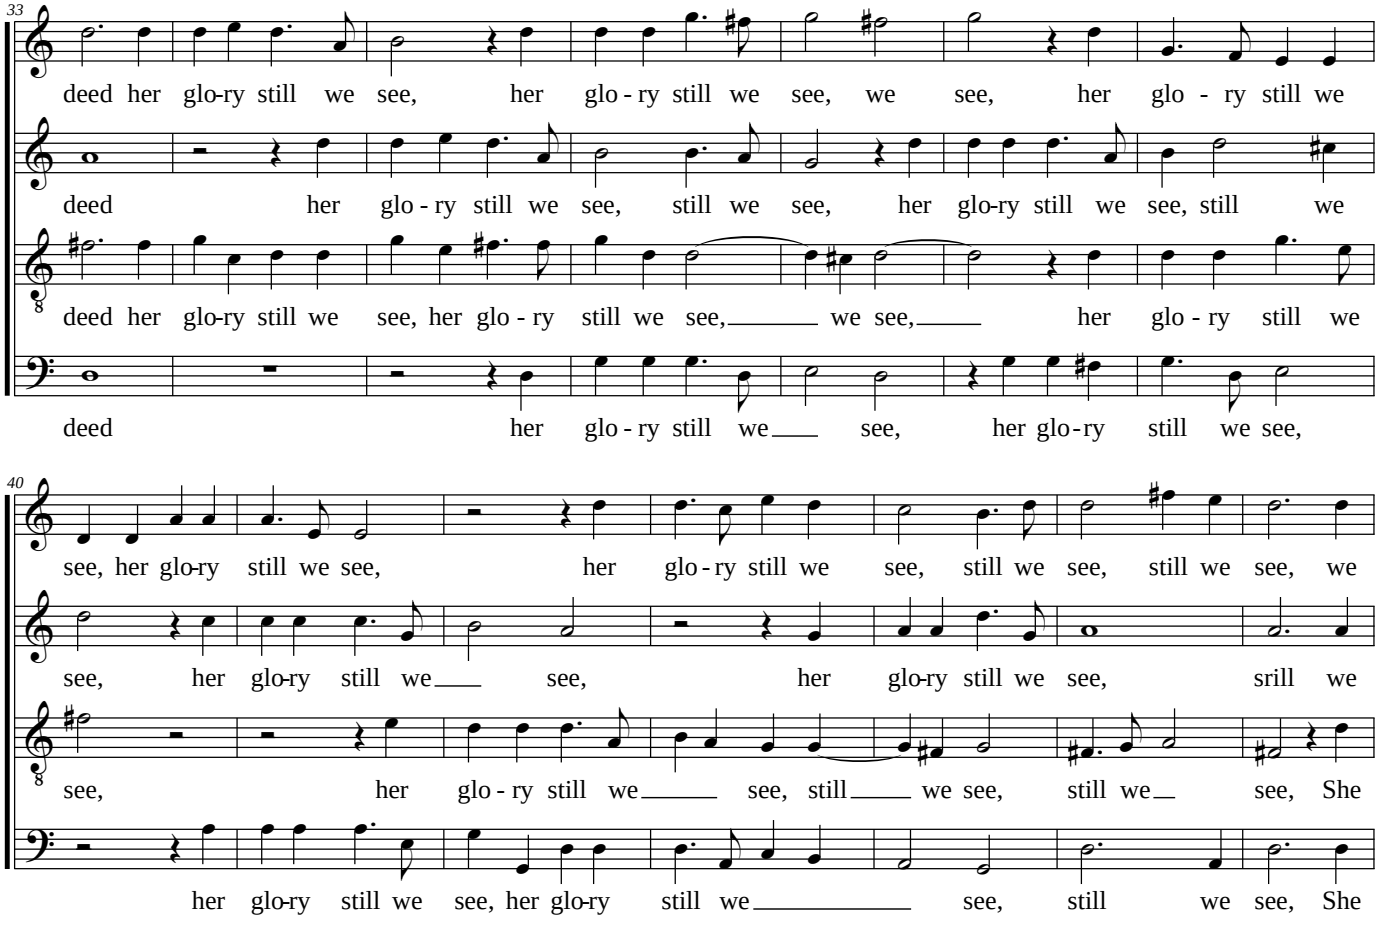




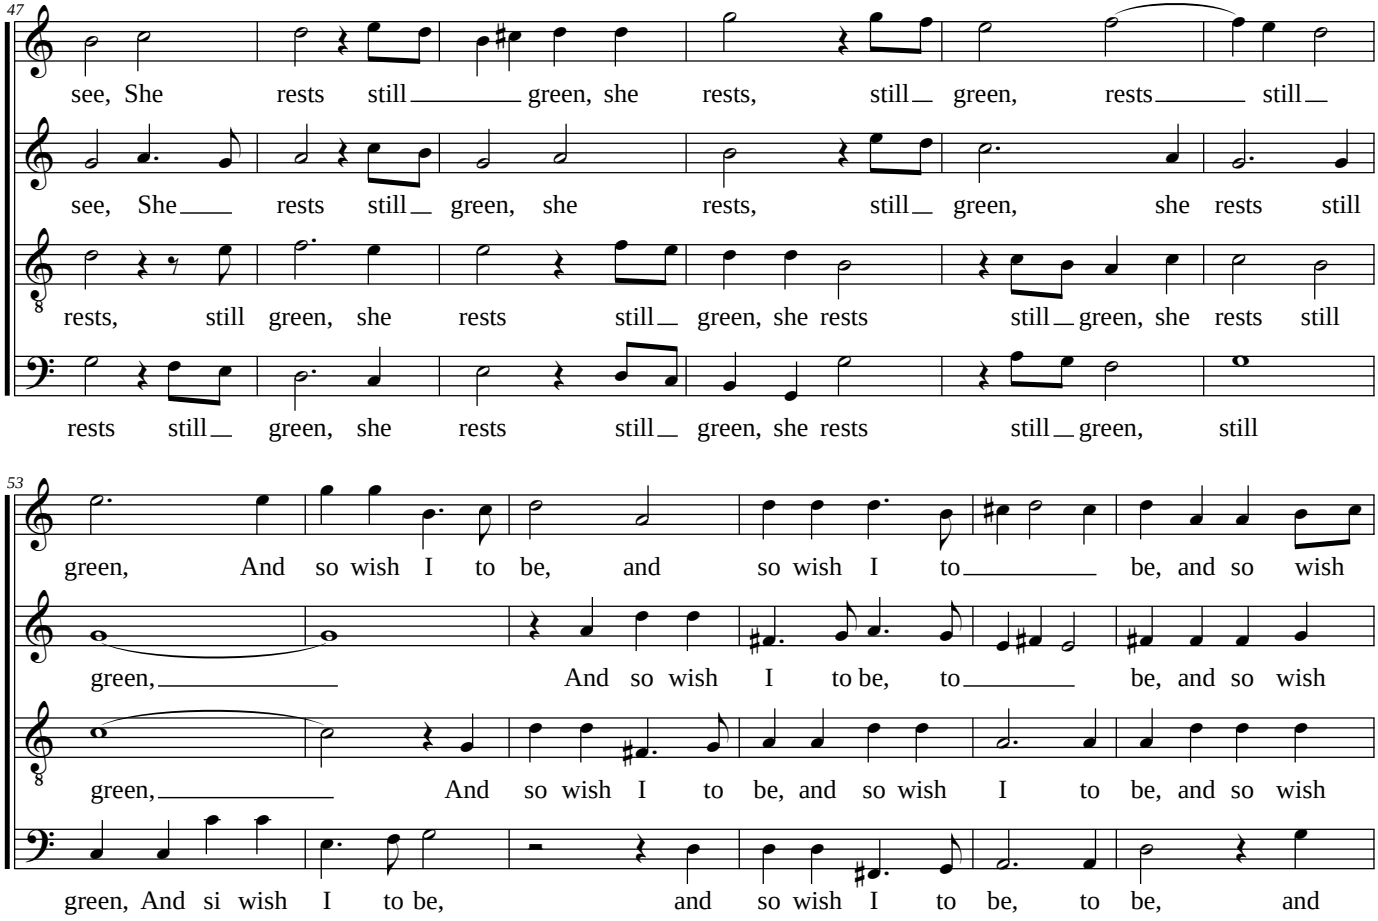
11
id - le and of course, And though he plained, and though he plained, and though he
and of course, And though he plained, and though he plained,
id - le and of course, And though he plained, and though je plained, and though he
id - le and of course, And though he
17
plained, and though he plained, 'twas fit she should be mute,
and though he plained, 'twas fit she should be mute, should be mute, she
plained, though he plained, 'twas fit she should be mute, she should be mute, And
plained, though he plained, 'twas fit she should be mute, be mute, And



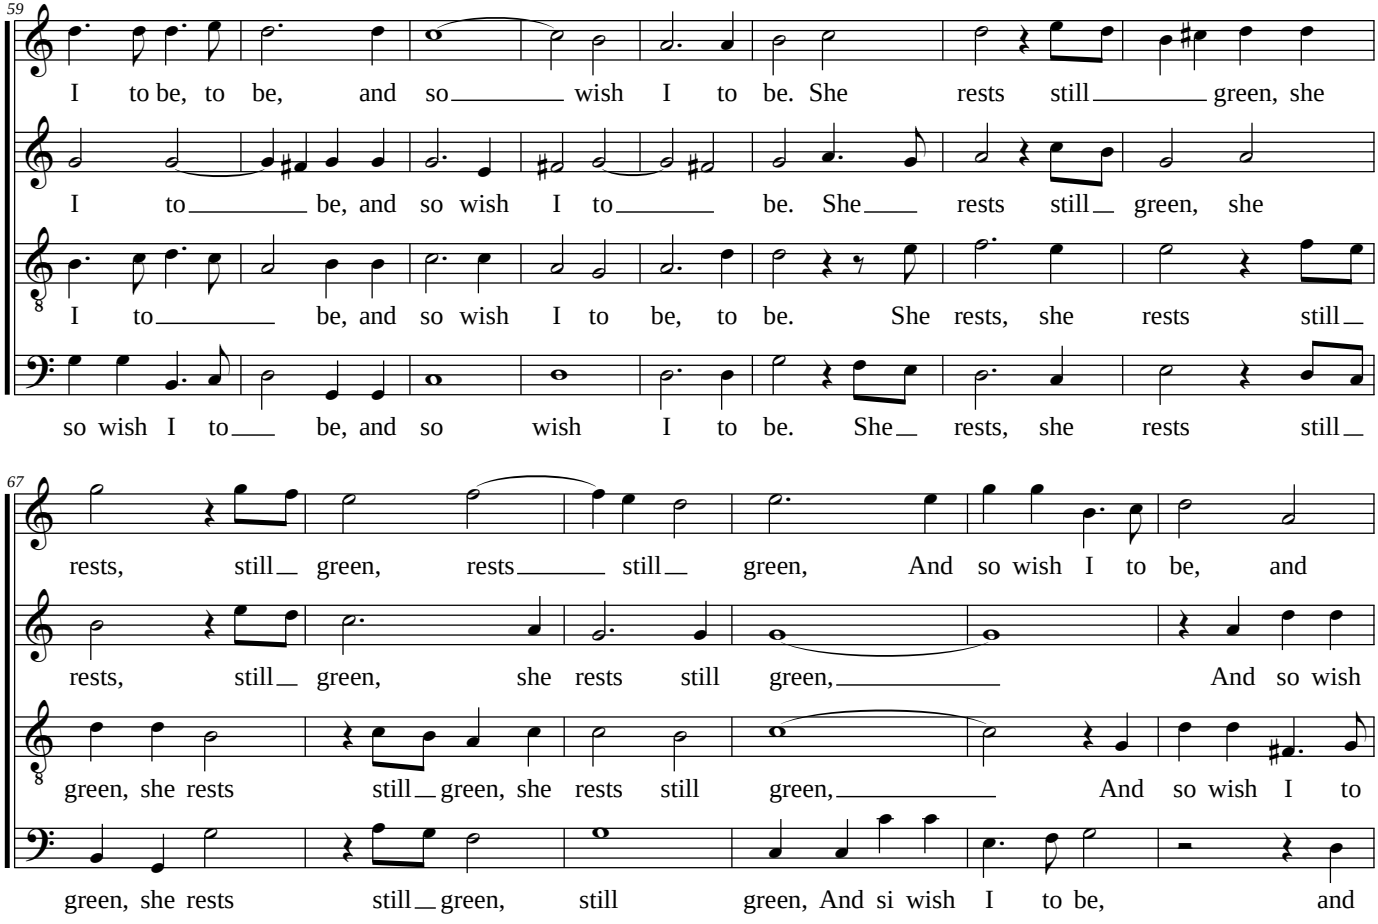
23
And ho-nour would, and ho-nour would she should keep
should be mute, And ho-nour would, and
ho - nour would, abd ho-nour would, and ho-nour would she should keep on her - course,
ho - nour would, and ho-nour would, and ho - nour would she should keep
28
on her course, she should keep on her course. For which fair
ho-nour would she should keep on her course. For which fair
and ho - nour would she should keep on her course. For which fair
on her course, and ho - nour would she should keep on her course. For which fair



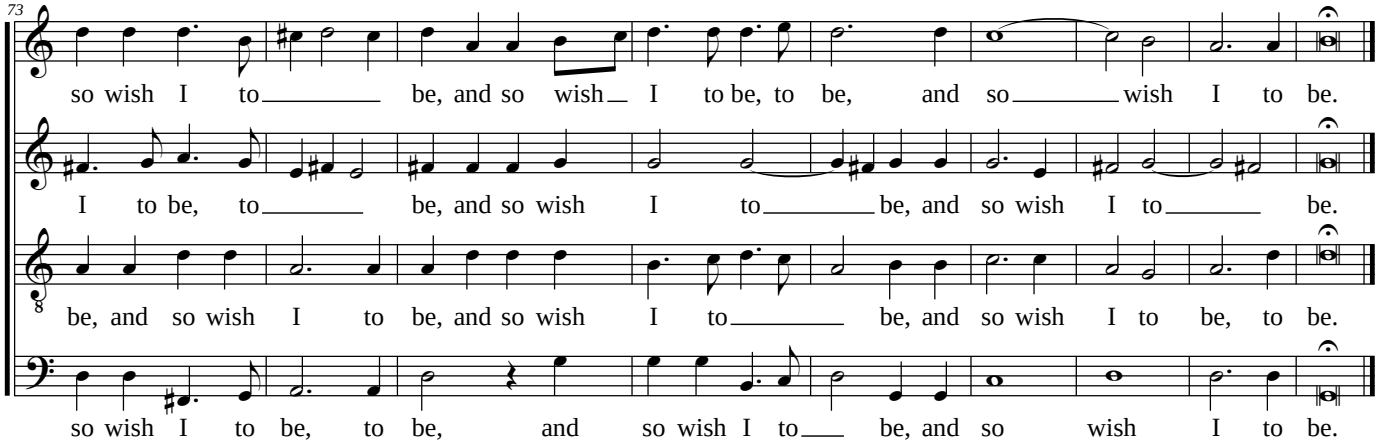
33
deed her glo-ry still we see, her glo - ry still we see, we see, her glo - ry still we
deed her glo - ry still we see, still we see, her glo-ry still we see, still we
deed her glo-ry still we see, her glo - ry still we see, we see, her glo - ry still we
deed her glo - ry still we see, her glo-ry still we see,
40
see, her glo-ry still we see, her glo - ry still we see, still we see, still we see, we
see, her glo-ry still we see, her glo-ry still we see, srill we
see, her glo - ry still we see, still we see, still we see, She
her glo-ry still we see, her glo-ry still we see, still we see, She



47
see, She rests still green, she rests, still green, rests still
see, She rests still green, she rests, still green, she rests still
rests, still green, she rests still green, she rests still green, she rests still
rests still green, she rests still green, she rests still green, still
53
green, And so wish I to be, and so wish I to be, and so wish
green, And so wish I to be, to be, and so wish
green, And so wish I to be, and so wish I to be, and so wish
green, And si wish I to be, and so wish I to be, to be, and



59
I to be, to be, and so wish I to be. She rests still green, she
I to be, and so wish I to be. She rests still green, she
I to be, and so wish I to be, to be. She rests, she rests still
so wish I to be, and so wish I to be. She rests, she rests still
67
rests, still green, rests still green, And so wish I to be, and
rests, still green, she rests still green, And so wish
green, she rests still green, she rests still green, And so wish I to
green, she rests still green, still green, And si wish I to be, and



73
so wish I to be, and so wish I to be, to be, and so wish I to be.
I to be, to be, and so wish I to be, and so wish I to be.
be, and so wish I to be, and so wish I to be, and so wish I to be, to be.
so wish I to be, to be, and so wish I to be, and so wish I to be.
